To Whom it May Concern,

Pursuant to the federal Freedom of Information Act, I am requesting all documents to be released as part of the following FOIA request:

Tracking number: EPA-HQ-2015-004134

Date: Feb. 11, 2015

Subject: Requesting copies of documents submitted to the Executive Office of the President as part of the Pollinator Health Task Force.

Please include the original FOIA request letter from the requestor. In addition, please include the response to said FOIA request from your agency, including all letters, attachments, enclosures or any other documents that were provided with the response to said FOIA request.

If possible, I would prefer to receive the largest number of records or documents in electronic form.

I am filing this FOIA request as a “representative of the news media” since I am a reporter for *Greenwire*, one of Environment & Energy Publishing’s five daily online publications. This designation entitles me to a waiver of fees accumulated during the actual search and review process. Nevertheless, if your agency does determine that I should be charged for any part of this request, please contact me before estimated costs exceed \$25.

This request is made as part of news-gathering activity and is not for commercial use.

The information responsive to this FOIA request will contribute to the public’s understanding of your agency and the government at large. This information is not in the public domain but once your agency responds to this FOIA request, it will be printed on our website, www.eenews.net, which has more than 40,000 unique visitors a day. We expect the information that is produced through this and other FOIA requests to serve as the basis for several articles that explain the government’s actions and operations to the public. For more information about *Greenwire* and Environment & Energy Publishing, please refer to www.eenews.net.

FOIA requires that if part of a record is exempt from disclosure, you must redact and release all segregated parts. Please describe the deleted material in detail and specify the reasons for believing that the alleged statutory justification applies in this instance.

If my request is denied in whole or in part, please specify which exemption(s) is (are) claimed for each passage or whole document denied. In addition, please give the number of pages in each document and the total number of pages pertaining to this request and the dates of the documents withheld. Such statements will be helpful in deciding whether to appeal an adverse determination.

As required by FOIA, I look forward to hearing from your office within 20 days in response to this request.

If you have any questions about the nature or scope of this request, please call me at (202) 446-0465 or email me at tstecker@eenews.net.

Thank you for your consideration of this request.

Sincerely,

Tiffany Stecker
